English Note

Dear Parents:

To understand the relationship between education and values, one theme will be covered over a month. A quote is assigned every week.

During English sessions, English teachers write the quote of the week. A brief explanation about it is given. Whenever there is free time (5-10) min. of the session, slips of papers will be distributed to students to express the given quote on their own way (either writing, drawing or crafting). This will be done once per week as a free English Activity.

The **Theme** of this month is about “**Friendship**” and the **Quote** is (**The greatest gift of life is friendship**). Students will know the importance of friendship in their lives and the skills needed to develop and maintain a good one.

Theme : friendship

Quote : The greatest gift of life is friendship
